## LOYALTY PROGRAM

Cessnock Hospitality Group

*Rewards it's members with points*  
for visiting and purchases throughout the club.  
These points allow members to reach loyalty levels loaded with bonus offerings.

YOU CAN EARN **STAR REWARD POINTS** IN SO MANY WAYS!

## How it works

Every member of Cessnock Hospitality Group is automatically enrolled into STAR Rewards. Simply swipe your membership card when making purchases throughout the club or insert your membership card when using the gaming machines and you will earn STAR Rewards Points.

The points you earn each calendar month are totalled to calculate your STAR Rewards level. members can move up levels on the first business day of every month. However Members can only move down levels every March & September.

Members can still spend their points as they wish throughout the month (every 100 points earned is worth \$1), the qualification points are based on the "points earned" rather than the current balance of points. Members can check their points balance at any time by swiping their membership card at the Rewards Kiosk, inserting their card into a gaming machine or ask one of our friendly staff to check at any point of sale.
